

Dear participant,
we would like to remind you of the documentation that you must bring with you to Brescia, for administration purposes:

1. VALID DRIVER'S LICENCE FOR THE DRIVER AND THE NAVIGATOR

All participants coming from non-EU countries must present an "INTERNATIONAL DRIVER'S LICENCE", allowing them to drive in Italy, together with their national driver's licence.

2. A VALID IDENTITY DOCUMENT

3. A MEDICAL CERTIFICATE

- for non-competitive sporting activity (for those younger than 75 years of age)
-for competitive sporting activity (for those over 75 years of age) – as has already been notified on our newsletter dated 11 April 2016

4. INTERNATIONAL SPORTIVE LICENSE (if you have it)

5. VALID INSURANCE POLICY

Insurance policy of the vehicle, in printed form, valid also in Italy, and if required by the policy, an authorisation to use or drive or whatever else required by said insurance policy;

6. VEHICLE REGISTRATION DOCUMENTS

The vehicle must be up to date with all roadworthy documentation, issued by the country of registration of the vehicle.

If the driver is not the owner of the vehicle, an authorisation signed by the owner will be required;

7. FIVA ID/FIA HTP/CSAI Card

Please take note that in the absence of the above-mentioned documents, the team will not be allowed to participate in the Race.

Moreover, in order to facilitate hotel registration procedures, we recommend that you bring 4 copies of your identity document.

This will fasten the hotel check-in procedures.

Kind regards,

1000 Miglia S.r.l.
