ARTICLE 8 – ENTRIES *(Cross out the parts to cancel and in bold italics the changes made)*

"8.26 REINSTATEMENT LIST

The "Reinstatement list" is a tool that allows competitors who have not submitted or completed the registration application by 18 January 2021, or by 29 January 2021 in the case of registrations attributable to Sponsors, to submit their request for participation in the event until 30 April 2021. These registrations, if accepted, will make up the "Reinstatement list".

Competitors on this list will be able to participate in the competition as replacements for withdrawn or unverified Competitors, for any reason, subject to the priority of the waiting list.

The " Reinstatement list" will consist of the cars that:

- a) meet all the admissibility requirements set out in these SRR;*
- b) will have completed the registration request after 18 January 2021 and in any case by Friday 30 April 2021;*
- c) have complied with the provisions of these SRR where applicable.*

If one of the Competitors admitted to the Race communicates their withdrawal from the Competition after the date of publication of the list of competitors and admitted cars, the Organizer, after having given precedence to the registrations on the waiting list, will be able to select, at its sole discretion, one of the Competitors on the "Reinstatement List" as a substitute.

Competitors included in the reinstatement list will have the opportunity to accept or reject the participation proposal by replying to the address participants@1000miglia.it within 72 hours of communication. Competitors with certified electronic mail (PEC) must make the above communication to the PEC address: 1000miglia@legalmail.it.

Acceptance by the Organizer will result in the crew entering the race pursuant to and for the purposes of Article 8.9 and following of the SRR.

In case of non-acceptance by the Competitor of the participation proposal, the sum paid by the Competitor as a security deposit will be returned in full, net of secretarial fees of Euro 400,00 plus 22% VAT.

Any withdrawals of crews included in the reinstatement list will take place in accordance with the provisions of articles 8.20 and 8.21 of the SRR."
