1000 MIGLIA – EDITION 2022 & 2023

“GUEST CAR” FORMULA

Factsheet

In order to allow all the 1000 Miglia sponsors to implement public relations and hospitality or engagement marketing initiatives, the Race Organizer has established the **“Guest Car” formula subject to an extra fee** of Euro 10.000,00 + VAT (ten thousand/00) in addition to the regular car entry fee as per the Specific Race Regulation. The extra fee includes the services fully described at the end of this page.

This specific “formula” establishes that the sponsor has the opportunity to appoint - within the vehicles belonging to its Sponsor Team - one or more cars nominated as the **“Guest Car”**. For each “Guest Car” the sponsor can associate up to **4 (four) additional names to the main crew (2 persons) for a total of up to 6 (six) driver/co-driver of the said vehicle** .

The sponsor will also have the right to enter a modern car - associated to every “guest car” - which will have a special “sticker” in order to fully follow the convoy with the sole limitation of access to the time trial zones or any other areas with special access restrictions.

The drivers/co-drivers (six in total) associated with the “Guest Car” will be able to **alternate** when driving as **driver and navigator** - during the four days of the race - if they have passed the administrative checks in Brescia’s Paddock - in the days before the start of the race, or at the itinerant Race Secretariat in the city stages, as required by the Specific Race Regulations.

In compliance with the Special Race Regulations, in the event that a “Guest Car” has been entered by a **Legal Person Participant** , the entered and verified drivers will be free to alternate while driving the vehicle itself as a driver and navigator.

Private Entrants who enter a “Guest Car” must always be in the car as a driver or navigator.

It is possible to replace the names of the crew members, with the exception of the driver who entered the car into the race as a “Private Entrant”. For every request of name replacement an amount of Euro 366,00 (Euro 300,00 + VAT) will be applied as a right of secretariat, according the Special Race Regulations.

The “Guest Cars” will be classified exclusively in a specific ranking. The “round sticker” with which the car will be identified in the race is the same as all the other participants.

The signalling of the “Guest Car” and of the drivers associated with it must be done by the deadline which will be defined and communicated year by year.

The extra fee of **Euro 10,000.00 (ten thousand/00)** + VAT if applicable will include:

- Participation in the race:
 - Participation in the race as per the “Guest Car” formula: 4 additional crew members admitted as driver/co-driver of the same car as specified above;
 - Kit of road-book + car sticker for the modern car following the “Guest Car”;

- N. 4 standard badges
- N. 4 “welcome bags”
- Hospitality for a crew of 4 members:
 - 4 nights in 2 double rooms (max. 4 persons): Hotel not higher than 4 stars including breakfast;

 - 3 light dinners for 4 persons;
 - Invitation to the Awarding Ceremony and Closing Party (if confirmed) for 4 persons
- Services included in the registration:
