The difference of 100 mt. in the total distance, coming from the change of the symbol nr. 3, will be recovered in the drawing nr. 9. At the drawing 9 of the Road Book Sector 2 Day 1, set the progressive distance of the Tripmeter at 1,52 instead of 1,62.

Made the request change, starting from the drawing nr. 9 all the distances, total and partial, indicated in the road book are correct.
