## NOTICE OF SEARCH FOR PROCURERS OF SPONSORS

Whereas:

- 1000 Miglia needs to seek sponsors interested in sponsoring the events organized by the Company;
- in order to do so, it is necessary for 1000 Miglia to make use of the services of procurers to find such sponsors;

### INVITES

Those persons who are interested in acting as procurers to express an interest.

Please note that interested parties must submit curriculum vitae.

The expression of interest and curriculum vitae should be sent via e-mail to the Certified Electronic Mail (CEM) address [1000miglia@legalmail.it](mailto:1000miglia@legalmail.it).

Following the review of the curriculum vitae and an interview, 1000 Miglia reserves the right to appoint the Procurer of Sponsors, defining terms, conditions and duration for carrying out the assignment. It should be noted that the assignment does not entail any exclusivity and that therefore the Company may give assignments to more than one person without limitation in terms of numbers.

The assignment of the Procurer consists in indicating to 1000 Miglia those business operators interested in entering into a sponsorship contract as well as the terms, conditions and amount of the possible sponsorship.

Since 1000 Miglia is a public in-house company, the aforementioned notification will entail the publication of a notice on the institutional website of 1000 Miglia containing the request for expressions of interest for entering into a sponsorship contract having the same terms, conditions and amounts.

In the event that no expressions of interest are received within the deadline set out in the notice, 1000 Miglia will assess, at its sole discretion, the convenience of entering into a sponsorship contract with the business operator indicated by the procurer.

In the event that one or more expressions of interest are received, 1000 Miglia will call for a selection procedure to which it will invite both the business operator indicated by the procurer and all the business operators who have expressed interest, following the publication of the notice. In the event that, as a result of the selection procedure, a business operator other than the one originally indicated by the procurer is awarded the contract, the latter will in any case be paid the fee agreed upon at the time of the assignment, since the activity carried out by the latter will in any case have generated a useful result for 1000 Miglia.
