

## **1000 MIGLIA RENEWS AGREEMENT WITH FIVA AND PRESENTS THE 2023 CALENDAR**

*Paris, 3 February 2023* - During the **Rétromobile** classic car exhibition that attracts thousands of enthusiasts every year to the Porte de Versailles, **1000 Miglia** and **FIVA** renewed the partnership under the aegis of **Registro 1000 Miglia** that since 2018 guarantees excellence and transparency in the certification of historic vehicles. In order to join the Registro, the agreement states that cars must have a **FIVA Identity Card** certifying their originality.

The **Registro 1000 Miglia** registers, certifies and classifies the cars that raced in the twenty-four editions of the 1000 Miglia speed race from 1927 to 1957. It has received more than 2000 registration requests, an indispensable requirement to certify the eligibility of cars for **Red Arrow** events.

At the signing ceremony, **Tiddo Bresters** and **Beatrice Saottini**, Presidents of **FIVA** and **1000 Miglia**, expressed their pleasure for the attention drawn to originality and historicity in the classic car world by this collaboration.

The **Registro 1000 Miglia** project also collaborates successfully with **Museo Mille Miglia**, **ACI Storico**, **ACI Sport** and **Ferrari Classiche**.

At the Paris show, **1000 Miglia** presented the list of events organised in 2023.

The third edition of the **Coppa delle Alpi**, the winter regularity race scheduled from **1 - 4 March**, will inaugurate the season of Red Arrow events: 1100 kilometres that will cross the most evocative Alpine passes, crossing the borders of Italy, Switzerland, Austria and Germany.

The second edition of **Sorrento Roads by 1000 Miglia** will be unique and fascinating: from **30 March to 2 April**, the cars will cross the Sorrento Peninsula, the Gulf of Naples, the Royal Palace of Caserta and the Amalfi Coast.

From **5 - 7 May**, the **1000 Miglia Warm Up CH** regularity race training weekend will take place in the Ticino area.

The **1000 Miglia**, scheduled from **13 - 17 June** in an unprecedented five-day edition on the Brescia, Cervia-Milano Marittima, Rome, Parma, Milan route will be accompanied by **1000 Miglia Green**, **Ferrari Tribute** and **1000 Miglia Experience**.

In the second part of the year, the internationalisation of the Red Arrow will continue with **the Mille Miglia Festival in September** in Japan, the fourth edition of **1000 Miglia Warm Up USA** from **31 October to 5 November** in the Washington D.C. area, and **1000 Miglia Experience UAE** in December ending the year.
