Entries will open and close on the dates and at the times indicated in the race programme.

Article 7 - GENERAL RULES

Procedure for the pre-race checks, handing over of race numbers:

The correct completion of the online procedure for races and calendars allows entering all the information relative to the driver competitor, thereby allowing registration in the list of entrants. To streamline the process of collection of the race numbers, only the following documents should be presented:

- identity document and driver's licence
- medical certificate
- vehicle registration document (with valid inspection)
- Third party liability insurance certificate
- written authorisation from own N.S.A. (National Sport Authority) if the same does not belong to the E.U./if this has not been included in the entry form.

The competitors who do not show the documents requested above, will not be admitted to the competition. After the sport checks, the competitors will receive all the necessary documents to present themselves at the technical scrutineering. An information bulletins and other instructions issued by the Race Directors will be included; they will also receive the race numbers and the Passes.

Article 8 - REGROUPINGS

Not foreseen.

Article 9 - RUNNING OF THE RACE - MAXIMUM LATENESS

At 11:00 on Wednesday 1 March 2023, the competitors will depart, according to the starting order determined by the time of entry into the lining up area, from Museo Mille Miglia for the Time Trials, as per the attached map and road book supplied by the Organisers.

Once the final TC has been passed, the competition will end and the cars will be free to Tirano where will start the competition "Coppa delle Alpi by 1000 Miglia 2023"

At the TC, under the supervision of the Race Officials, a car may be push-started, if it is unable to start on its own.

The cars will depart in each TT series linked one at a time, from a stopped position with engine running, and a frequency of two cars per minute. Each car, after being cleared to start, must leave the starting area in the shortest possible time.

A crew will be over the maximum lateness:

- if it transits through a Time Control (CO/TC) with more than 15 minutes delay.
- if it accumulates delays through various Time Controls totalling more than 30 minutes delay.

The race will be run in accordance with the provisions of the historic cars RDS. In particular:

- The theoretic official times, which the drivers will be obliged to respect, will only be those shown in the roadmap;
- The use, by the drivers, of time detection apparatus, will not be subject to any limitation;
- The official time of the race will that of the CUT station (Coordinated Universal Time) supplied by the GPS system (Global Positioning System);
- The synchronization of drivers' detection apparatus can be carried out only on the clock placed at the Time Control stage starting area, but without connecting to the same;
- The parc fermé scheme will be foreseen only at the controls, in the area situated between the signs for the start and end of the control zone.

Article 10 - ARRIVAL

Arrival check will be in Corso Zanardelli near The Teatro Grande and will open from 11:25 on 1 March 2023.

Article 11 - CLASSIFICATION

The following classification will be drawn up:

a) general;

No coefficients will be applied.

The classifications will be drawn up without any deviation on the penalties accumulated during the race.

Article 12 - PRIZES

The event will have the following honour prizes:

- for the first crew of the general classification;

12.2 ADMISSION TO 1000 MIGLIA 2024

The following Competitors will be guaranteed acceptance at the 1000 Miglia 2024 event, subject to compliance of the car with the SRR of the Competition:

- to the first entrant classified in the "Overall" Classification;

The right of admission to 1000 Miglia 2024 shall not be granted to those who have already obtained it in other events organised by 1000 Miglia. Competitors who find themselves in this situation shall be transparent for the purposes of the allocation of this right.

The prize that will give the right to participate in the 1000 Miglia 2024 edition will be given to the physical or legal subject to whom the invoice for the entry fee of the Coppa delle Alpi by 1000 Miglia 2023 will be registered. The aforementioned subject's right to inform 1000 Miglia Srl of a different subject that will acquire this right remains firm. Such request for modification must be sent via email to participants@1000miglia.it on or before 20.03.2024. In any case, participation will be subject to the payment of the fee indicated in the Special Race Regulations and will be guaranteed only to those cars which are eligible under the aforementioned Regulation.

Participation rights for the 1000 Miglia 2024 obtained in this classification and in the Coppa delle Alpi ones are not cumulative. The participant that will win the above mentioned classification, can't win the same right of participation in the Coppa delle Alpi Classification.

Article 13 - GENERAL RULES

By the very act of registering for this event, each competitor declares for themselves and their drivers, for the staff on their own service vehicles and accompanying vehicles, for their dependents and assignees:

- to recognize and accept the provisions of the National Sporting Regulations (and Sector Rules) and the present SR, committing themselves to respect and to enforce them;
- to undertake to resolve any controversy which may arise from the Organisation and the conduct of the event by means of the mechanisms and methods of resolution provided for by ACI, waiving any other authority other than sport authorities for the protection of their rights and interests and those of their drivers, navigators, employees and agents;
- to relieve the Italian Automobile Club, the ACI Sport, the ACI Brescia, the Organiser 1000 Miglia S.r.l. and all persons involved in the organisation, as well as the Automobile Clubs involved in the event. The Officials and the owners of the routes where the competition takes place from any liability regarding any damages to competitors, or their drivers, navigators, employees and agents, or things, or produced or caused to third parties or of objects by the competitor himself, his drivers, navigators, employees and agents.

Throughout the race, drivers must scrupulously respect all the rules of the Road Traffic Regulations and the instructions issued by the Clerk of the Course, and maintain an aware and careful driving style.

Drivers must not stop the car, reverse, make U-turns, open doors and obstruct in any way other crews, in control zones identified by control zone start and stop signs.

Drivers and navigators must maintain a prudent behaviour for themselves, for Race Officials and in particular for spectators.

It is forbidden to lean out of moving vehicles.

In case of road obstructions or other cases of force majeure (acts of God) occurring before the start of the race, the race route may be changed, or certain special stages, where any required average speed may create dangerous situations, could be neutralised.

Article 13.1 - COMPETITION NUMBER PLATES

All the competition numbers (plates) handed over by the Organiser to the competitor must be attached to the competition cars. The discovery of one of the delivered competition number plates on a car other than the competition car, will lead to a penalty that could result in the immediate exclusion of the same competition car from the competition.
