Chief Medical Officer: **Doctor Graziano GUERINI** licence **236733**  
Chief Press Officer: **Fulvia LODA GELMINI**

## **ART. 8 - RUNNING OF THE COMPETITION - Amendment**

### **8.1 START**

The cars will leave one at a time, from a stationary position with the engine running, **two cars** starting per minute. Each car, once they have been given the "go", will have to free the Departure Area as quickly as possible.

### **8.3 TIME CONTROLS (CO/TC) - Amendment**

The follows Time Controls:

- 2 - Kranjska Gora
- 5 - Brunico
- 9 - Livigno
- 13 - Lucerne

will be located at the exit of the premises hosting the competitors for lunch.

Crews will have to present to the timekeeper in charge (at a position indicated by a regular sign) their Time Card for the inscription of the transit time at the above-mentioned Time Controls.

#### **8.5.1 START OF AVERAGE TRIALS (PM/AT) - New text, replacing in its entirety that of the SR**

The start of the Prove di Media/Average Trials will be at **FREE START**. The presence of Marshals is not foreseen.

For each PM/AT start there are two boxes in the road book indicating two positions (see in the Appendix box 55 on page 25 and box 56 on page 26) with a partial distance between 30 and 110 metres one from the other.

In correspondence of the first box with **"Area di Attesa / Waiting Area"** written in the Information column of the Road book, a yellow background sign with a hand-held flag will also be displayed; from this position on wards the competitor may slow down, to prepare for the start, but not stop.

At the second box with **"Start / Inizio PM"** indicated in the Information column of the Road book, a red background sign with hand-held flag will be displayed. This location **is the actual start of the PM/AT**, "Zero space / Zero time" line. At the red background sign with hand-held flag, the competitor must start the counting of space and time in order to respect the imposed average assigned for each Trial.

The transit in the two positions as well as the average PM/AT will be detected with the GPS-Tracker System (Art. 7.6) provided by the Organiser.
