A UNIQUE DRIVING EXPERIENCE...

In 2026, the 1000 Miglia Experience Italy will be repeated with an edition entirely dedicated to **Puglia**. The crews will be the protagonists of a journey that combines a passion for driving with the discovery of one of Italy's most fascinating regions.

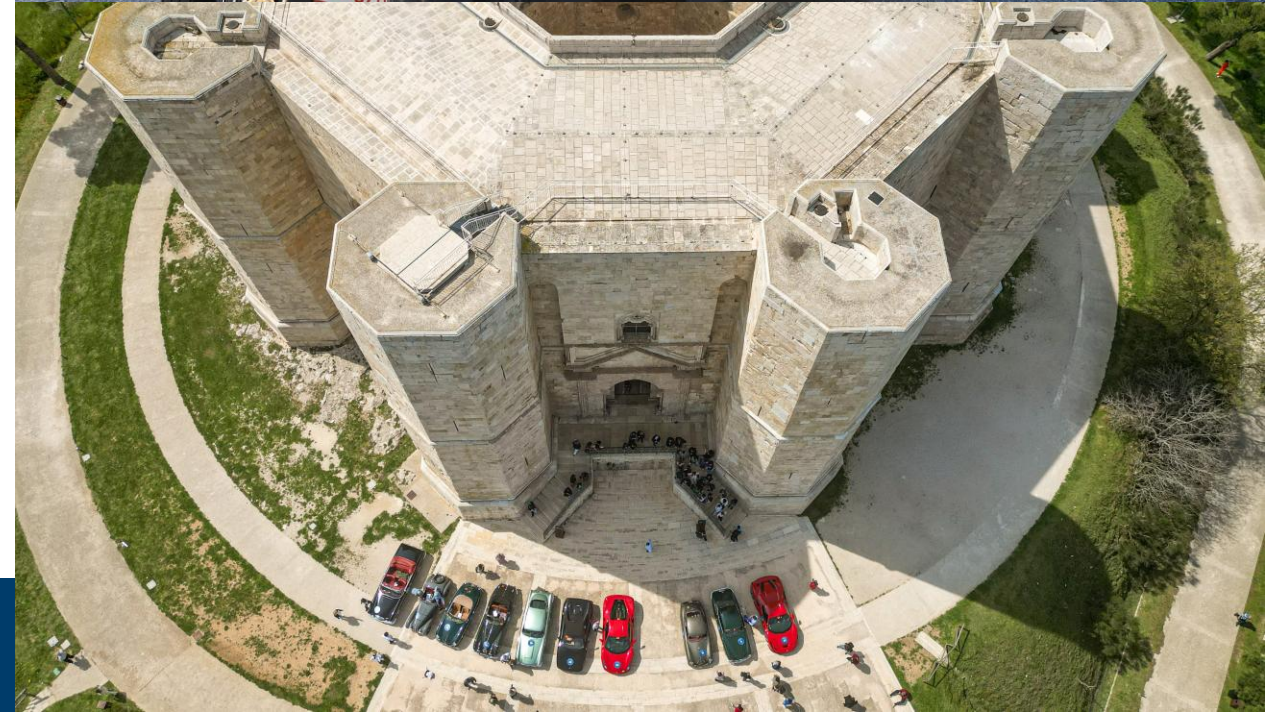

Starting from **Bari**, the route will pass through **Polignano a Mare** and **Lecce**, ending in **Taranto**, crossing picturesque landscapes and villages rich in history. The days will alternate between driving and stops at iconic locations such as **Alberobello**, **Ostuni**, **Brindisi**, **Otranto** and **Gallipoli**, offering an authentic immersion in the beauty and traditions that make this land unique.

...AND A TASTE OF ITALIAN STYLE

A unique experience to discover the true essence of Southern Italy, which carries the spirit of the Red Arrow along a route that goes beyond the classic 1000 Miglia route, exploring new territories between driving and relaxation to discover unforgettable places and flavours.

We will visit cities that, in addition to their magnificent landscapes, preserve a rich heritage of culture and tradition, offering the opportunity to experience authentic Italian Style.
